Will the group be showing across the Georgian Triangle at other galleries in 2023? If so, where (include proposed exhibits): \_\_\_\_\_

**In addition to The Gallery Group Application submitted by the Lead Contact, each of the listed members must submit an individual artist application to be considered, including the Lead applicant, (unless this application is being completed by an organization on behalf of a group).**

**While there is some flexibility in a final grouping of artists during the contracting stage, it should be noted that the ACC will be basing decisions on acceptance using the individual application examples submitted. Changes to this list are subject to approval.**
