Legal Framework

The Blue Mountains Public Library respects the laws of Canada with regard to the *Copyright Act, R.S.C, 1985, c C-42* and will not participate in activities, nor acquire materials, which violate these laws.

ADM.2018.83.01 Patron Photocopies

1. Library patrons are responsible for their own actions with regard to photocopying of materials in the Library's collection. Patrons will be made aware of this responsibility through posted notices containing the following policy statements:
 - 1.1. *Photocopying of copyrighted material may be in violation of copyright law, unless copy is made under the fair dealing exemption for the purpose of private study, research, criticism or newspaper summary.*
 - 1.2. *In using the photocopier, the patron agrees to assume all risks of copyright infringement.*
 - 1.3. *"The Library respects the laws of Canada with regard to copyright and will not participate in activities which violate these laws. Library patrons are responsible for their own actions with regard to the use of the Library's audio and audio-visual materials. In using these materials the patron agrees to assume all risks of copyright infringement."*
