Legal Framework

The Lieutenant Governor may make regulations [for Public Libraries],

1. providing for the distribution of all money appropriated by the Legislature for library purposes;
2. prescribing the conditions governing the payments of grants;
3. respecting the establishment, organization, management, premises and rules of public libraries; and
4. prescribing circulating materials or classes of circulating materials for the purpose of PLA clause 23.2(a). [PLA 39]

The Lieutenant Governor may make regulations [for Community Museums],

1. providing for the distribution of all money appropriated by the Legislature for community museum purposes;
2. prescribing the conditions governing the payments of grants; and
3. respecting the establishment, organization, management, premises and standards of community museums.
